

A decorative graphic on the left side of the slide consists of several overlapping circles of varying sizes. One circle in the center is a vibrant red, while the others are a light gray. They are arranged in a cluster that tapers off to the right.

**momentum**

Employee Benefits

spokespeople **profiles**

Over the past 110 years, Momentum has led the way in creating innovative solutions and offering absolute peace of mind in the retirement industry.

We have invested hugely in building a sustainable business model with attractive returns to our stakeholders (investors and clients) and we carefully optimise our capital position within a framework of strict financial discipline and governance.

We apply global best practices in risk management to our portfolio of local and international assets.

We are passionate about innovation and pride ourselves on growing responsibly. Our corporate structure reflects our focus on segmented needs and addressing specific challenges in those segments.

**Momentum Employee Benefits** has three business units: **Corporate**, **SMME**, and **Metropolitan Retirement Administrators**.
